GYMNASTICS

Although the Falcon gymnasts finished the year on the loss side of the ledger, Coach Karl Schwenzfeier termed it as a good building year for the Cadets.

His squad, which was made up of seniors and sophomores, finished with a 2-8 season. The losses were all close and with a little more depth the record could have been reversed.

Seniors — team captain Pat O'Grady, Garry Dudley, Bud Knopke, Karl Smith, Mark Torreano and Karl Whittenberg came through with steady performances in their last varsity season.

For sophomores Chuck Kennedy, Gregg Lowe, Ray Oakeshott and Brian Prendergast, it was a year for gaining valuable experience which could make them standout performers before completing their careers.
