

USAF Academy Men's & Women's Gymnastics Team Funds

"Short Set" Update – 2015/12/12

USAF Gymnastics Alumni, Parents, and "Friends of USAFA Gymnastics,"

This is the first of these 1-page emails to highlight a handful of campaign topics outside what was addressed in the most recent Quarterly Update. We're quite cleverly calling these "Short Set" Updates (based on a phrase familiar to gymnasts).

A. Campaign Donor Activities during the USAFA Gymnastics 60-year Reunion

- If you have donated since January of 2008 to 1) any Gymnastics Fund within the USAFA Endowment, or 2) any Gymnastics Fund within the AFA Pride Club, you will soon receive an invitation to:

THE USAFA GYMNASTICS 60-YEAR REUNION

Date: Saturday, 6 February 2016

Locations: The USAFA Athletic Facilities and the Falcon Club

Activities include:

1:30 to 1:45pm → **Donor Recognition Event (West Gym)**

2:00 to 4:00pm → **Double Dual Gymnastics Meet (West Gym)**

(Men versus Minnesota, Women versus Centenary)

4:30 to 5:15pm → **Tour of USAFA Athletic Dept Facilities**

6:00 to 9:00pm → **Reunion Banquet (Falcon Club)**

- Note: While the Reunion agenda has activities specifically for gymnastics alumni, coaches, advisors and trainers on Feb 5th and Feb 6th, donors who are outside of those categories are invited to attend the Reunion events shown above on Feb 6th. We hope each of our donors can join us and be thanked! All alumni and donors will soon receive an email invitation from the Association of Graduates to register for reunion events and discounted lodging.

B. End-of-Year Charitable Donations

- As the 2015 tax year closes out, if you're looking for an exceptional cause for your tax deductible 501(c)3 donations, please consider supporting our USAFA Gymnastics Funds Campaign. Simply visit our www.supportUSAFagymnastics.org website and click on the "Donate" button. Thanks for your consideration!

Please take a look at the 2016 Competition Schedule attached to this transmittal email – come on out and cheer on our USAFA Gymnasts this season! GO FALCONS!
